

# OUTSIDE DOOR BUSTER

**NEW**

The Inverted Door Buster is designed to open outwards doors for fire brigades, police, Military and all rescue forces use.

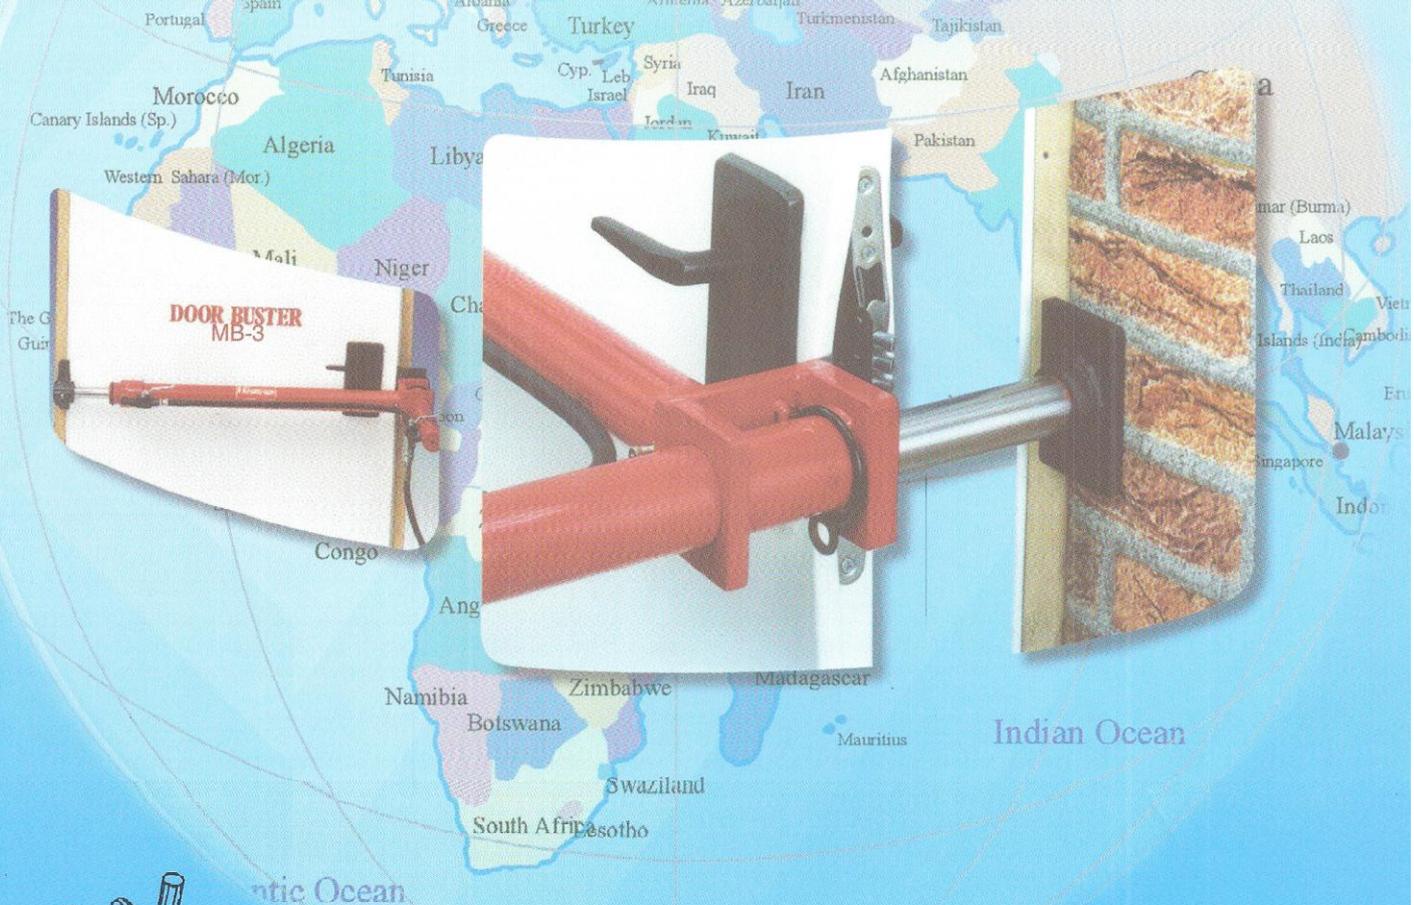

It is designed to open diverse outward opening doors, including steel doors.

Effectively quietly and quickly.

This Door Buster is added to other Hydro-Noa's unique and exclusive Door Busters which are very easy and handy to operate with a hydraulic, electric or pneumatic pump.

It's lightweight, portable and operated by an independent power source as are other Hydro-noa's product line.

Atlantic Ocean

**HYDRO-NOA**
